

**ART OF PIANO PLAYING MUSIC SCHOOL
OFFERS GROUP PIANO LESSONS AT YOUR SCHOOL
WE HAVE BEEN PROVIDING LESSONS SINCE 2012!**

Our lessons are suitable for ANY level of student, from beginner to advanced. Activities include but not limited to: learning musical alphabet, music theory, reading music and more. During this course students will explore fun solo songs as well as duets with a piano instructor and classmates. Our piano teachers are very experienced and super inspiring. Each student will be provided with a keyboard and headphones for this class. Students that took piano lessons before will continue from where they left off and learn a lot of advanced songs. This club welcomes up to 10 students per group. Group piano lessons help to develop memory and logical-thinking skills which help overall school performance. It's a great opportunity for students to learn how to play piano right on school premises, in a small group setting, without the high cost of the private piano class!
